

Introducing the Primex Protect™ Eagle and Birdie Golf Cart Dividers

Our Primex Protect™ line of products are manufactured right here in the USA, and are designed to keep your employees, patrons and customers safe as America recovers from the COVID-19 pandemic.

The Eagle

- Extends from seat-back to dash of cart.
- Universal fit for any brand of cart.
- Easily installs in under 5 minutes.
- No screws, no drilling.
- Attaches to cart roof, dash, and basket
- Easily disinfected with mild soap and water or isopropyl alcohol between players.
- Can be rolled up when not in use.

Divider Set Includes:

Vinyl sheet divider, paracord, cord lock and hooks.

The Eagle Pricing:

- **\$49.95/each**
- **25 pcs per box**
- **Distributor pricing available upon request for large volume orders.**

The Birdie

- Extends from seat-back to edge of seat.
- Universal fit for any brand of cart.
- Easily installs in under 5 minutes.
- No screws, no drilling.
- Weighted at bottom to keep from moving during play.
- Easily disinfected with mild soap and water or isopropyl alcohol between players.
- Can be rolled up when not in use.

Divider Set includes:

Vinyl sheet divider with galvanized wire weighting.

The Birdie Pricing:

- **\$29.95/each**
- **25 pcs per box**
- **Distributor pricing available upon request for large volume orders.**
